WHEREAS, in relation to Section 22, Article II of RA 9165, the Board, exercising its powers as provided under Section 81(b) of RA 9165, issued Board Regulation No. 5, Series of 2003, which provides for the Guidelines in the Implementation of Operation “Private Eye”, which is a project designed to give commensurate reward to any person providing information to law enforcers which results in the successful confiscation, seizure or surrender of dangerous drugs, plant sources of dangerous drugs, and precursors and essential chemicals and/or arrest of persons violating the penal provisions of RA 9165;

Section 3. Section 11(c), Article V, Reward Schedule, of DDB Board Regulation No. 5 is hereby amended by including ephedrine, pseudoephedrine and other regulated chemicals listed in any of the UN Conventions as subject to the reward therein mentioned such that the provision should now read as follows:
