BOARD REGULATION NO. 7
Series of 2006

SUBJECT: INSTITUTIONALIZING THE DANGEROUS DRUGS BOARD INTEGRATED DRUG ABUSE DATA INFORMATION NETWORK (DDB IDADIN)

Pursuant to the powers vested in the Dangerous Drugs Board under Section 81 of R.A. 9165 or the Comprehensive Dangerous Drugs Act of 2002, the Integrated Drug Abuse Data Information Network (IDADIN) is hereby institutionalized and, in connection therewith, the following reportorial requirements are hereby prescribed:

Section 1. Short Title - This Regulation shall be known as the “DDB IDADIN Regulation”.

Section 2. Scope - All public and private hospitals, drug/chemical manufacturers, importers, exporters or distributors, forensic laboratories, drug testing laboratories, public and private drug treatment and rehabilitation facilities, accredited physicians, drug law enforcement and prosecution agencies, and penal facilities shall submit a regular written report to the Dangerous Drugs Board on drug-related treatment and/or confinement, transactions and handling of dangerous drugs, controlled precursors and essential chemicals, drug treatment and rehabilitation, drug analysis, drug testing, drug-related arrests, searches and seizures, status of drug cases, and prison population drug profile.

Section 3. Definition of Terms - The terms used in this Regulation are defined as follows:

- a. **Controlled precursors and essential chemicals** – include those listed in Tables I and II of the 1988 UN Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances and made an integral part of RA 9165, as well as those classified as such by the Dangerous Drugs Board;
- b. **Dangerous drugs** – include those listed in the Schedules annexed to the 1961 Single Convention of Narcotic Drugs, as amended by the 1972 Protocol, and in the Schedules annexed to the 1971 Single Convention on Psychotropic Substances and made an integral part of RA 9165, as well as those classified as such by the Dangerous Drugs Board;
- c. **DDB IDADIN** – refers to the Dangerous Drugs Board Integrated Drug Abuse Data Information Network;
- d. **DOH-Accredited Physician** – a doctor engaged in a non-facility-based treatment and rehabilitation duly authorized by the Department of Health to conduct drug dependency examinations and treatment on persons believed to be using dangerous drugs;

- e. **Drug analysis** – refers to the process of drug identification or to the systematic characterization of seized drug and chemical means;
- f. **Drug/chemical distributor** – refers to any person authorized to engage in the sale of dangerous drugs and/or controlled precursors and essential chemicals on a wholesale basis;
- g. **Drug/chemical exporter** – refers to any person authorized to sell or send dangerous drugs and/or controlled precursors and essential chemicals into the customs territory of another country which requires declaration;
- h. **Drug/chemical importer** – refers to any person authorized to physically introduce dangerous drugs and/or controlled precursors and essential chemicals into the customs territory of the country which requires declaration;
- i. **Drug/chemical manufacturer** - refers to any person authorized to engage in the production, preparation, compounding or processing of any dangerous drugs and/or controlled precursors and essential chemicals, either directly or indirectly or by extraction from substances of natural origin, or independently by means of chemical synthesis, and shall include any packaging or repackaging of such substances, design or configuration of its form, or labeling or re-labeling of its container, intended for sale;
- j. **Drug-related arrest** – apprehension made for violation of R.A. 9165 and other pertinent drug laws as well as other crimes committed under the influence of dangerous drugs;
- k. **Drug testing laboratory** – refers to a facility that is capable of testing a specimen for the presence of dangerous drugs;
- l. **Drug treatment and rehabilitation** - refers to the process, including after-care and follow-up treatment, directed towards the physical, emotional/psychological, vocational, social, and spiritual change of a drug dependent to enable him/her to live without dangerous drugs, enjoy the fullest life compatible with his capabilities and potentials, and render him/her to become law abiding and productive member of the community;
