26. 310-0411-0 PU Brass Lacquer Hardener

WHEREAS, Section 4(2-c, d, e & f), Article II of the same Regulation also provides that the Board may exempt from specific measures of regulatory control requirements any preparation when the Table II chemical is a normal ingredient in consumer goods or finished products; or liquid chemical mixture containing less than 30% by weight of the Table II chemical; or solid, semisolid and highly viscous chemical mixture containing Table II chemical; or when the Board is satisfied that the mixture is formulated in such a way that the controlled chemical cannot be easily used for the illicit manufacture of a dangerous drug and that the controlled chemical or chemicals contained in the mixture cannot be readily recovered;

WHEREAS, to assist the Board in evaluating requests for exemption, it promulgated Board Resolution No.1 Series of 2008 entitled “**Creating a Technical Working Group (TWG) to assist the Board in considering request of Manufacturers and Importers of finished products from specific measures of regulatory control requirements**”;

WHEREAS, it has been determined by the DDB Technical Working Group (TWG) that **SPARKO SURFACE COATING** is one of the leading providers of surface coating solutions in Asia and Pacific Region. Its core business is in the manufacture and distribution of solvent & water based surface coatings primarily for the wood-based industry and coatings for surfaces such as metal, glass, leather, sea grass, abaca and other indigenous substrates. It is duly registered with PDEA and handler of **P5C-01330001-R027** and **P5I -01330001-R035** as **compounder/manufacturer and importer of CPECS. Its licenses were issued on 13 December 2011 and valid until 12 December 2012;**

WHEREAS, after due deliberation and evaluation, the TWG decided to recommend to the Board the exemption of **PARKO SURFACE COATING** products containing controlled chemicals below the 30% threshold of the Table II chemicals, in accordance with the provisions of Section 4-2(d, e & f);

WHEREFORE, be it **RESOLVED**, as it is hereby **RESOLVED**:

TO GRANT EXEMPTION and the issuance of a Board Resolution for Exemption, which shall be valid for one (1) year unless revoked, to **SPARKO SURFACE COATING** above mentioned products **containing Toluene and Methyl Ethyl Ketone, both a controlled chemical that are below the 30% threshold of the Table II chemicals, in accordance with the provisions of Section 4-2(f).**

- a. That the above cited exemptions shall be subject to the following conditions:
- (1) The SPARKO SURFACE COATING shall secure a license from PDEA and comply with the reporting requirements as provided for in Board Regulation No. 3, Series of 2003;
 - (2) The Board shall strictly monitor subject finished products from their importation to distribution to end-users;
 - (3) The DDB-PDEA Monitoring Team shall have free access SPARKO SURFACE COATING premises where the finished products are kept and/or used;
 - (4) The SPARKO SURFACE COATING shall assume full responsibility for any misuse of the imported finished product, caused either by its own negligence or by negligence of all persons acting under their name or control and supervision; and

- (5) Any violation of the provisions of Board Regulation No. 3, Series of 2003, shall be a ground for the revocation of the certificate of exemption at anytime and would be dealt with severely.

APPROVED and ADOPTED this 14th day of June, in the year of Our Lord, 2012 in Quezon City.

(Sgd) **Secretary ANTONIO A. VILLAR, JR.**
Chairman, Dangerous Drugs Board
