**DANGEROUS DRUGS BOARD**

**ADVISORY**

**TO : ALL PHYSICIANS, DENTISTS, VETERINARIANS AND PHARMACISTS**

**FROM : SECRETARY CATALINO S. CUY  
CHAIRMAN**

**SUBJECT : USE OF ORDINARY PERSONALIZED PRESCRIPTION FORM IN  
LIEU OF THE SPECIAL PRESCRIPTION FORM FOR DANGEROUS  
DRUGS (SPFDD)**

**DATE : 04 SEPTEMBER 2018**

---

In the interest of public service, please be informed that due to the unavailability of the Special Prescription Form for Dangerous Drugs (SPFDD) known as "Yellow Prescription Form," the Dangerous Drugs Board hereby allows the use of ORDINARY PERSONALIZED PRESCRIPTION FORM IN TRIPLICATE COPY to be used by Medical Practitioners with updated PDEA S2 License in prescribing dangerous drugs for their patients until 04 October 2018 or until such time that the SPFDD becomes available.

The prescription shall contain only one (1) dangerous drug with the following information:

- a. the full name, complete business address, telephone number/email address, current S-2 License number, validity of license, and Professional Tax Receipt of the prescribing practitioner;
- b. complete name, age, and complete address of the patient;
- c. date of the prescription;
- d. generic and brand name of the preparation to be supplied, its dosage strength and form;
- e. the total number of dosage units or total quantity of preparation to be supplied in words and its numerical equivalent;
- f. specific direction of use; and
- g. original signature of the medical practitioner.

Further, the same shall be in triplicate copy, the original copy of which shall be surrendered to the drugstore or pharmacy that dispensed the dangerous drug; the duplicate copy shall remain with the patient or purchaser-representative, and the triplicate copy shall be retained by the prescribing practitioner.

This advisory shall take effect immediately.

  
**SECRETARY CATALINO S. CUY**  
Chairman
